To All D.A.R.E. Officers,

It gives me great pleasure to announce the partnership between Life-Prints Solutions, LLC and D.A.R.E. America. This partnership will provide D.A.R.E. Officers with an opportunity for D.A.R.E. to **help our parents protect their children** and at the same time contribute to their local schools and to their local D.A.R.E. accounts.

Life-Prints software allows parents to maintain on their home computer or flash memory device, a profile of their children including digital photographs and fingerprints, physical description, and medical records which can easily be transmitted to authorities should the need arise. The software allows a parent to print child ID cards, missing child flyers, and other reports anytime. Life-Prints will also convert ink fingerprints to digital (which will allow existing ink prints to become more useable and transmissible) at no charge.

Life-Prints is offering the family version of its Child Safety Software to D.A.R.E parents for 25.95, a **48% discount** on the family version. Additionally D.A.R.E parents who purchase will generate the following contributions:

- \$2.00 to your local D.A.R.E. organization
- \$2.00 to the local school

We have developed this **online resource center** to provide you with easy access to the information and materials needed to ensure a successful fundraising effort. All D.A.R.E officers may download the Life-Prints software for evaluation.

The Life-Prints program is simple, all materials such as flyers, parent letters etc are provided free, and any questions from parents and officers can be directed to Life-Prints toll free hotlines.

We believe Life-Prints helps us complete the cycle of total child protection that begins with the D.A.R.E. philosophy of providing proactive programs that focus on awareness, education and skill training.

To help protect the children in your community and participate in this D.A.R.E. program I encourage you to visit this Life-Prints D.A.R.E. resource center. If you have any questions call toll free at 888-443-2245.

Wishing you success,

Charlie Parsons
